Project Ideas

→ dining app for campus food locations
- hours of ops
  - option to order & pick-up
  - 3D Map of campus - virtually interactive

→ minor emergency (hardware in their hospital)
- ping the open ones
- proximity
- early & enroute check-in / form fill out

Tutors to go

- location of tutors / tutoring locations on campus
- break down by subject area
- times & availability
- other ways of contacting them versus providing personal contact info
- time slots * (for people who spend all day using you for their 'homework')
- Ratings
- Teach versus tutor
- virtual versus paper assignments
- running list justification / records of meets
- ways to attract people to the app
- interactive activities that aid in subject area (khan academy, quizizz, etc)
- additional services (paying for additional svcs) outside of working hours
Signs - main doors, teachers,

30 day free trial
- Four Agreements
